DR. CHRISTIE'S GALVANIC CURATIVES POSSESS A great peculiarity and excellence, which consists in the fact that they arrest and cure disease by outward application, in place of the usual mode of drugging and physicking the patient, till exhausted nature sinks hopelessly under the infliction. They strengthen the whole system, equalize the circulation of the blood, promote the secretions, and never do the slightest injury under any circumstances. Since their introduction in the United States, only three years since, more than 73.000 persons, including all ages, closec and conditions, among which were a large number of ladies, who are poculiarly subject to nervous complaints, have been entirely and permanently cured, when all hopes of relief had been given up, and everything close had been tried in value. D. C. Moreboud, M.D., General Agent, 132, Broadway, New York.
